Please see the BG competition handbook for Fig performance level:

<https://www.british-gymnastics.org/technical-information/competition-handbooks/trampoline>

School Competition

The school's competition is under the direction of the British Schools Gymnastic Association (BSGA). For the 2019-2020 competition season, the Yorkshire Regional round is organised by the Yorkshire Schools Competition Organiser and supported by the YTTC.

Yorkshire Schools Competition Organiser:

Name: Samantha James

Email: samjames86@hotmail.co.uk

Membership

- It is a requirement of entry into any YTTC competition that every member entered (coaches, judges and gymnasts) have current membership of British Gymnastics with the appropriate level of membership for both the level of competition and the skills being performed by the gymnasts.
- Coaches must hold a valid DBS (Disclosure and Barring Service) with British Gymnastics, as well as current safeguarding training.

- After the closing date, no competitor will be allowed to change their NDP level until the next NDP Regional Series Competition. It is the responsibility of the Club to ensure that competitors are entered to the correct NDP Level. By completing the entry, the club accepts this responsibility
- Please note that the competition organisers are unpaid volunteers. Whilst the competition organiser is happy to answer any queries regarding a club's entry, the answer to most questions will be found in this handbook so please check first. Note: there are no 'office hours' and the organisers may not always be able to respond to a query immediately.

Rules

All rules for YTTC competitions will be taken from the current British Gymnastics Code of Points for Trampoline, DMT and Tumbling. Any local rule changes will be stipulated with the entry information for that competition.

Coach / Performer qualification

- On arrival at the competition, the lead coach should check in their club at the check in desk where they can inform the competition organisers of any withdrawals
- Coaches signing in competitors must be qualified in the relevant discipline TRI or/ & DMT. A gymnast who is a qualified coach may not sign himself or herself in.
- All gymnasts must be under the supervision of a suitably qualified coach who is a full member of British Gymnastics. Persons not designated as officials and non-BG members are not allowed on the field of play. The field of play is the area beyond the seating area
- Gymnasts are only allowed to perform those moves that lie within the syllabus of the coaching level of the coach who has signed to take responsibility for their club. The coach must be in the competition arena whilst the gymnasts are competing. The competition arena is taken to mean the judging area, the competition area or the audience section in the same hall.
- Failure to have an adequately qualified coach present may mean gymnasts will have to withdraw or change their voluntary routines and perform only those moves, which lie within the qualification syllabus of the coach that is present.
- Please note that none of a club's gymnasts will be allowed to warm up or compete unless an adequately qualified coach has signed in and is present in the competition arena. Gymnasts may not participate if their coach responsible leaves the competition arena – coaches must stay until their Gymnasts have finished.

Range and Conditioning

Range and Conditioning is compulsory to be able to move forward to the Regional Team Qualifier. A pass mark is required to qualify to the Regional Compulsory Finals/NDP Team Regional Finals.

Photography

- It is not necessary for people to register their intention to take photos and/or videos. However, please see the BG policy at: <https://www.british-gymnastics.org/documents/departments/membership/safeguarding-compliance/safeguarding-and-protecting-children/7769-safeguarding-children-safe-environment-06-2016/file>
- Only designated photographers are allowed to take photographs or videos on the competition floor

Jewellery and Body Piercing

- Please see the policy at: <https://www.british-gymnastics.org/documents/regions-and-home-countries/england/7828-bg-body-piercing-adornments-policy/file>
- This applies to all gymnasts and coaches in training and in events at home and abroad. Failure to comply with the policy will prohibit the individual gymnasts on the grounds of reasonable safety and may render the individual's insurance invalid should an accident result directly from non-compliance with this policy.

NDP Regional Series Trampoline and DMT

- It is the responsibility of the clubs and coaches to select the appropriate entry level of competition for gymnasts. If a gymnast achieves the minimum execution qualifying score at least once in the NDP Regional Series, they then qualify to compete in the NDP Regional Team Qualifier that leads to the Regional Team Final.
- 'Gymnasts may change NDP level during the regional series, enabling gymnasts to try one or more levels (at different competitions) in order to ascertain the appropriate level for them to try and qualify for the NDP Regional Team Qualifier. If a gymnast achieves the minimum execution qualifying score at more than one NDP level, they must select only one level to enter the NDP Regional Team Qualifier and then will be required to stay at this level for the remainder of the competition season.

Difficulty cards

- Difficulty cards at NDP qualifying competitions are not required. Please note that you will be required to fill out tariff sheets for the Yorkshire Championships.
- Difficulty cards should be fully completed in FIG notation, including difficulty marks where appropriate.
- Anyone who does not submit a difficulty card when required to do so may not be able to compete or may not receive a difficulty score as part of their routine. It is a requirement for a suitably qualified coach to sign difficulty cards. Gymnasts cannot sign their own difficulty card even if they are a qualified coach.
- Required skills (where applicable) must be asterisked on the difficulty card or there will be a deduction of 1.0 from the relevant routine. Where the card should be marked with asterisks to indicate required elements in first routines, the gymnast or coach must do this before the card is handed in. Likewise, all elements that require a difficulty mark should have this written on the sheet before the card can be accepted.

Finals

- Final rounds will be held for groups as detailed in each event's specific information and are for the top eight highest scoring gymnasts in each group preliminary rounds. Where there are less than eight gymnasts in a group all will compete in the final. (Not applicable with NDP Qualifiers or team regional qualifiers)
- Final rounds will be calculated from zero except where stated, or if the preliminary round consisted of less than or equal to 8 gymnasts, the final round will be cumulative. Finals are run at the discretion of the organising committee and may be omitted/cancelled if necessary due to time constraints.

Tie-Break Rule

- All YTTC competitions will follow the British Gymnastics tie-break rules as explained in the competition handbook.

Team Managers

- The team manager is responsible for the behaviour of YGA club members, coaches and parents. Any aggressive or abusive behaviour will not be tolerated from any member of a club, and may result in:
 1. The individual being dismissed from the event
 2. Withdrawal of all the associated club's gymnasts for that competition, without financial reimbursement
 3. A ban on the individual from future YTTC events and / or a temporary suspension of club activities within the region
 4. A formal complaint submitted to YTTC, YGA / or British Gymnastics, followed by a formal investigation
- British Gymnastics Photographers may be present at British Gymnastics events and British Gymnastics may publish images. By entering for the event, there is acceptance that the child/participant may be photographed. The Club/Coach is advised that they should inform the entrant, parent or guardian.

- It is the responsibility of all individuals who attend YTTC competitions to ensure their belongings are always kept safe at the competition venue. The YTTC will not accept any responsibility for loss or damage to property or persons. Team Managers are to ensure that all attendees are aware of this and to instruct their members accordingly.

Complaints Procedure

- If you have a complaint about any aspect of a competition it must be raised, in writing, through your club secretary as the Competitions Sub-Committee will not respond to complaints from gymnasts, coaches or parents. Please send the complaint to the Regional Competition Organiser. Complaints will be acknowledged within fourteen days of receipt.

Regional Team Final

Introduction

Regional Team finals are qualified through the NDP series in Yorkshire. RTF is a team event & it is the YTTC role to send team coaches and team judges to the competition to represent the regions and make sure the gymnasts have the best possible competition. Each club with representing gymnasts will be expected to provide officials if necessary, according to our standard judge to official ratios set out in this competition handbook.

Selection of Officials

Please find attached Yorkshire Regional Team Finals application form at the bottom of this document. This document has been created to help the YTTC select the appropriate officials for the competition. Officials will be selected based on their experience, qualifications and wiliness to work as a team – with their own gymnasts and the other gymnasts in the region. Where possible the team will be part funded or fully funded.

Return application to: YTTC Committee
Email address: yorktramp@gmail.com

Contesting a Selection Decision

Once the YTTC have selected the team for the Regional Team Finals it will be published and distributed to all relevant parties. If you wish to contest a decision you may do so in writing to the chair of the Yorkshire Trampoline Technical Committee on:
yorktramp@gmail.com

This must be received within two days of the releasing of the team and a response will be made within a full week (7 days) of the receiving of the email.

Judges and Officials

Judging Provision

- Please note that the requirements for supplying officials for YTTC competitions differ from national requirements.
- The YTTC requires any club entering these competitions to provide officials for the full duration of the event. The minimum requirements are stated on each entry form. Clubs may offer extra officials if desired.
- Judges offered should be current cycle judges.
- All nominated officials must be current members of British Gymnastics. Membership numbers must be quoted.
- Nominated officials should not be registered as gymnasts, as it is difficult to schedule the timetable to accommodate these people. Any gymnasts who would like to officiate whilst they are not competing should be nominated as extra officials and they will be used if possible. Alternatively, they may replace one of their club's chosen judges for half a day (with the approval of the Judging Secretary).
- New clubs without suitably qualified officials will be allowed to enter events without supplying qualified officials for one year. It is the club's responsibility to source suitable judging courses. New clubs must, however, supply the correct number of unqualified people to match their entry as above.
- In the case of an official not showing on the day without appropriate justification or a replacement of equal and approved calibre being offered, the club will be required to pay a fine of £150 or find a replacement for each missing official. No further entries would be accepted from that club until the surcharge has been paid. The committee reserves the right to withdraw any club from the competition that does not supply their nominated official(s) on the day.
- Unqualified officials can be expected to be used as competition marshal's or manual recorders but please note that all officials may be used in any capacity and must appear correctly dressed. If an unqualified official is selected, it is the team

manager's responsibility to ensure that the person is competent of performing the required duty. On the spot training at competitions is not an option. Failure to provide competent officials / judges will be viewed as failure to meet the competition requirements for officials / judges.

- Please supply name and qualification for each official that your club is required to nominate so that they can be used in an appropriate capacity.
- Clubs are notified of selected officials with their competition information. It is the responsibility of the club manager to relay this information to their selected officials.
- Reserve officials are expected to be at the competition, in the appropriate uniform, and report for duty at the required time. If the reserves are not required at the start of the event, they must be available to be called upon at any time during the competition day.

Competition attire for judges and officials:

- All judges, recorders and computer operators must wear BG uniform as below:

Men:

- Navy or dark coloured suit jacket / blazer / jumper, navy or dark coloured trousers (not track suit/jogging bottoms), white shirt (not T-shirt), black shoes suitable for a gymnasium floor. Judges are encouraged to wear a BG, YGA, or dark, single colour tie to present the professional image that YGA show at competitions.

Ladies:

- Navy or dark coloured blazer and/or jumper, navy or dark coloured skirt or trousers (not track suit/jogging bottoms), white blouse, black shoes suitable for a gymnasium floor.
- If it is cold in the centre and you need to wear a coat or warm jacket, please try to ensure it is a dark colour.
- Marshal's, warm-up marshals and spotters should wear track suit or similar and trainers.

Failure to arrive in the correct attire may result in being stopped from judging.

Judging Sanctions

The correct amount of judges & officials should be allocated to each entry at the time of submitting. If a suitable amount of officials or judges are not entered, the club will be liable for a £150 fine per judge, increasing to £200 if withdrawn 48 hours before, up to a maximum of £300. This fine will also be enforced if clubs are entering judges who are not suitably qualified. The fine must be paid in full prior to the start of the competition, if not, the gymnasts will be withdrawn and the club will be unable to participate in any further YTTC competitions until the fine has been paid in full.

If you are unable to provide adequate judges or officials, please contact the YTTC on yorktramp@gmail.com where we can see if any judges or officials are available to be bought in. It is expected that you liaise with the judge(s) or official(s) in regards to payment, this is not the responsibility of the YTTC.

Judging Ratios

2 entries	1 judge	
3 -5 entries	1 judge	1 official
6 – 8 entries	2 judges	1 official
9 – 11 entries	2 judges	2 officials
12 – 14 entries	3 judges	2 officials
15 -17 entries	3 judges	3 officials
18+ entries	4 judges	3 officials
